

A photograph of Woodley Grange care home, a two-story building with a mix of brick and cream-colored walls. A large, mature evergreen tree stands in the center of the courtyard, casting shadows on the building and the paved area. In front of the tree is a red telephone booth and a wooden bench. The sky is blue with some clouds.

 Woodley Grange
where loving care matters

Luxury care in the heart of Romsey

Welcome to Woodley Grange

From the moment you step into Woodley Grange, you will experience a thoughtful and unique approach to residential and dementia care.

Multi-award-winning residential & dementia care

Why Woodley Grange?

Set amongst beautiful, mature gardens in the ancient market town of Romsey, Woodley Grange provides an exceptional setting for residential and dementia care.

Part of Manucourt Ltd, a family-owned and award-winning care group, Woodley Grange is a luxurious and welcoming home for up to 45 residents, with every detail carefully considered to provide the highest standards of care and support.

Beautifully finished interiors, landscaped gardens and separate, thoughtfully designed accommodation for residential care and for residents living with dementia are complemented by exceptional support from our highly skilled team. Combined, they create a home where every resident can enjoy a comfortable and fulfilling life.

Inside our home

Designed by leading interior designers, our interiors create a true home-from-home atmosphere, with all the comforts and luxuries residents could wish for.

The home includes dedicated areas for residential and dementia care, each carefully designed around individual needs.

Residents can enjoy our elegant dining rooms, cosy lounges, spacious en-suite bedrooms, fully equipped hair salon, activities room and bright orangery, which is a particular favourite with our residents.

Beautifully decorated to the highest standards

Life at Woodley Grange

Life should be inspiring, fulfilling and entertaining. That is why we have invested heavily in providing a stimulating activities programme arranged by our full-time Activities Co-ordinators. From craft sessions and games afternoons to guest singers and regular outings, there is something for everyone.

Specialist activities, such as horticultural therapy in our picturesque grounds and exercise classes, are also available to support social, physical and emotional well-being.

With the health of our residents a top priority, we offer delicious, nutritionally balanced meals prepared by our on-site cooks. Menus take into account specific dietary requirements, as well as residents' individual tastes.

Meaningful moments, every day

Who we care for

We take pride in our ability to provide both superior residential and dedicated dementia care. Our highly trained staff are devoted to delivering the person-centred loving care that we believe matters, from residents looking for a supportive environment to maintain their independence to those requiring additional assistance.

Woodley Grange also has a dedicated area of the home for residents living with dementia, creating a safe and comfortable environment tailored to their care requirements.

We understand the importance of providing high-quality, person-centred dementia care. Our experienced team undertakes ongoing dementia care training to continually develop their knowledge and understanding of each resident's individual needs and preferences.

Loving care is at the heart of everything we do

To find out more about the care we provide at Woodley Grange and to arrange a visit, please call 01794 523100 to speak to a member of our team.
